

Anthurium cut flower availability for retail and trade 2018 / 2019

Anthurium cut flower availability

2018 / 2019

A close-up photograph of a floral arrangement. It includes several large, heart-shaped green Anthurium leaves with prominent veins. A single, fully bloomed yellow rose is nestled among the leaves. Some smaller, delicate flowers are also visible. The arrangement is set against a light-colored background.
